RESPONSE TO NOTICE OF INCOMPLETE REPLY Technology Center 2100

Assistant Commissioner of Patents
Washington, DC 20231

Sir:

The applicants in the patent application identified above here respond to the Notice of Incomplete Reply mailed March 1, 2002.

On November 7, 2001, the applicants mailed a Response to Notice to File Missing Parts, followed by a Supplemental Response mailed November 9, 2001. The postal reply cards returned by the PTO show that the Response was received January 16, 2002 and that the Supplemental Response was received January 9, 2002. A copy of each postcard is enclosed herewith.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, DC 20231, on March 14, 2002.

Roger T. Frost - Reg. No. 22,176

Application No. 09/918,303
Response to Notice of Incomplete Reply

A copy of the Notice of Incomplete Reply dated March 1, 2002 is enclosed.

The Notice of Incomplete Reply asserts that the "Reply on 01/09/2002" (i.e., the Supplemental Response) failed to include a signed oath or declaration, and required payment of \$60 for six independent claims over three. However, the applicants did submit that Declaration with their Response to Notice to File Missing Parts (mailed November 7, 2001 and received at the PTO January 16, 2002). A copy of that Declaration is enclosed herewith.

Turning to the fee, the applicants submitted payment of \$1,536 with the Supplemental Response. That fee included payment of \$480 for six independent claims over three. A copy of that check, and of the applicants' fee calculation sheet accompanying the check, is enclosed.

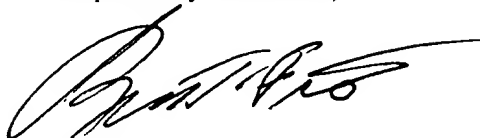

Accordingly, the applicants submit that the excess claims fee was timely paid in this application. However, if the PTO still believes that \$60 fee remains payable, the undersigned calls attention to the authorization to charge additional fees to a deposit account, in the aforementioned Response. That authorization was part of a timely response, and the applicants should not be required to pay further extension fees or petition to revive the application at this time.

The foregoing is submitted as a complete response to the Notice of Incomplete Reply. The undersigned acknowledges that the PTO may have mailed that Notice before matching

Application No. 09/918,303
Response to Notice of Incomplete Reply

applicants' Response with this file. However, at this time the applicants are making of record its position that it timely submitted all items needed to complete this application.

Respectfully submitted,

Roger T. Frost
